SEPTEMBER 26, 2014

~

(The County of Bland, Virginia) – The publication of the list of delinquent real estate and personal property taxes will be released near the end of October 2014 for publication in the *Bland County Messenger*.

Starting January 1, 2015, the Bland County ordinance adopted in 2014 in accordance with § 46.2-752 of the Code of Virginia will go into effect, thus requiring all delinquent personal property tax payers to be turned over to the Department of Motor Vehicles (DMV) preventing the issuance or renewal of any vehicle registration of any applicant that owes money to the county.

Delinquent tax payers are asked to contact the Treasurer of Bland County, John Goins, (276-688-3741) to settle any delinquent accounts.
