BLAND COUNTY HAY-SURPLUS

The County of Bland will accept sealed bids for the cutting of hay on a piece of property owned by Bland County for the 2026 season. There is approximately 8 - 12 acres that are available to cut. The hay must be cut and removed by September 15, 2026. The hay is located just south of Bland on Route 98. Whoever receives the bid may fertilize or lime the property to increase the growing season of the hay. The County will not be responsible for any fertilizer or lime costs or any loss to the contractor. The awarded contractor must be aware that the property can be used by the County for other activities and any fertilize or lime applied to the property is the contractor's own expense and he or she will not be reimbursed for that expense for any reason. This contract would be for a one-year period for 2026, with the option of two one-year extensions for 2027 and 2028.

Send all sealed bids to Rodney Ratliff at Bland County Public Works, P.O. Box 510 Bland Virginia 24315 marked Bland Route 98 Hay Bid. All bids must be received by 2:00 p.m. June 4, 2026.

To view the fields or for more information, please contact Rodney Ratliff at 276-688-4607.
